

On February 26, 2019, Buckeye Insurance Group donated \$1,500 to The Edison Foundation, to be designated towards a scholarship for an individual studying Agriculture at Edison State Community College. This donation is in honor of Donald E. Benschneider, of Payne, Ohio, who is retiring from the firm's Board of Directors after 32 years of service.

In addition to his service on the Buckeye Board, Mr. Benschneider has enjoyed a long and distinguished career in the agriculture industry, as Owner and President of Wildcat Creek Farms, and as a Director of Countrymark Co-op and CBI Global.
